## Page 27

Use the words below to fill in the classifying tree about adjectives and verbs. Each word has a suffix added to it. Remember, a suffix is added to the end of a word. Under the word *Adjective*, write the words that are adjectives. Under the word *Verb*, write the words that are verbs. Underline the suffix in each word. The first one has been done for you.

Use the words from above to fill in the blanks.

## Page 28

Use the words below to fill in the classifying tree about prefixes. Under the word *Not*, write the words with prefixes that mean not. Under the word *Number* or *Many*, write the words with the prefixes that mean a number or many.

Use the words from above to answer the questions or fill in the blanks.

## Page 29

Use the words below to fill in the classifying tree about suffixes. Under the word *Person*, write the words that mean a person and underline the suffix. Under the word *Adjective*, write the words that are adjectives and underline the suffixes. The first one has been done for you.

Use the words above to fill in the blanks.

## Page 30

An analogy is a comparison between two things. Use the words below to fill in the analogies. The first one has been done for you.

## Page 31

An analogy is a comparison between two things. Use the words below to fill in the analogies. The first one has been done for you.

## Page 32

Use the words below to fill in the classifying tree. Write the synonyms for each word. A synonym is a word that means exactly or nearly the same as another word.

Use your own words to fill in the blanks.

## Page 33
