Dictionary * Diccionario

Un diccionario es un buen recurso para aprender palabras nuevas. Un diccionario le dice el significado o significados de una palabra. Las palabras de un diccionario se colocan en orden alfabético. Escriba las siguientes palabras en orden alfabético. (Escriba primero las palabras que comienzan con a, luego las palabras que comienzan con b, luego las palabras que comienzan con c, y así sucesivamente.) Enseguida, trace una línea entre la palabra listada y su ilustración. La primera se hizo como ejemplo.

glass	queen	jet	ox	ax
ham	cap	plug	map	egg
lock	neck	bag	dog	kid

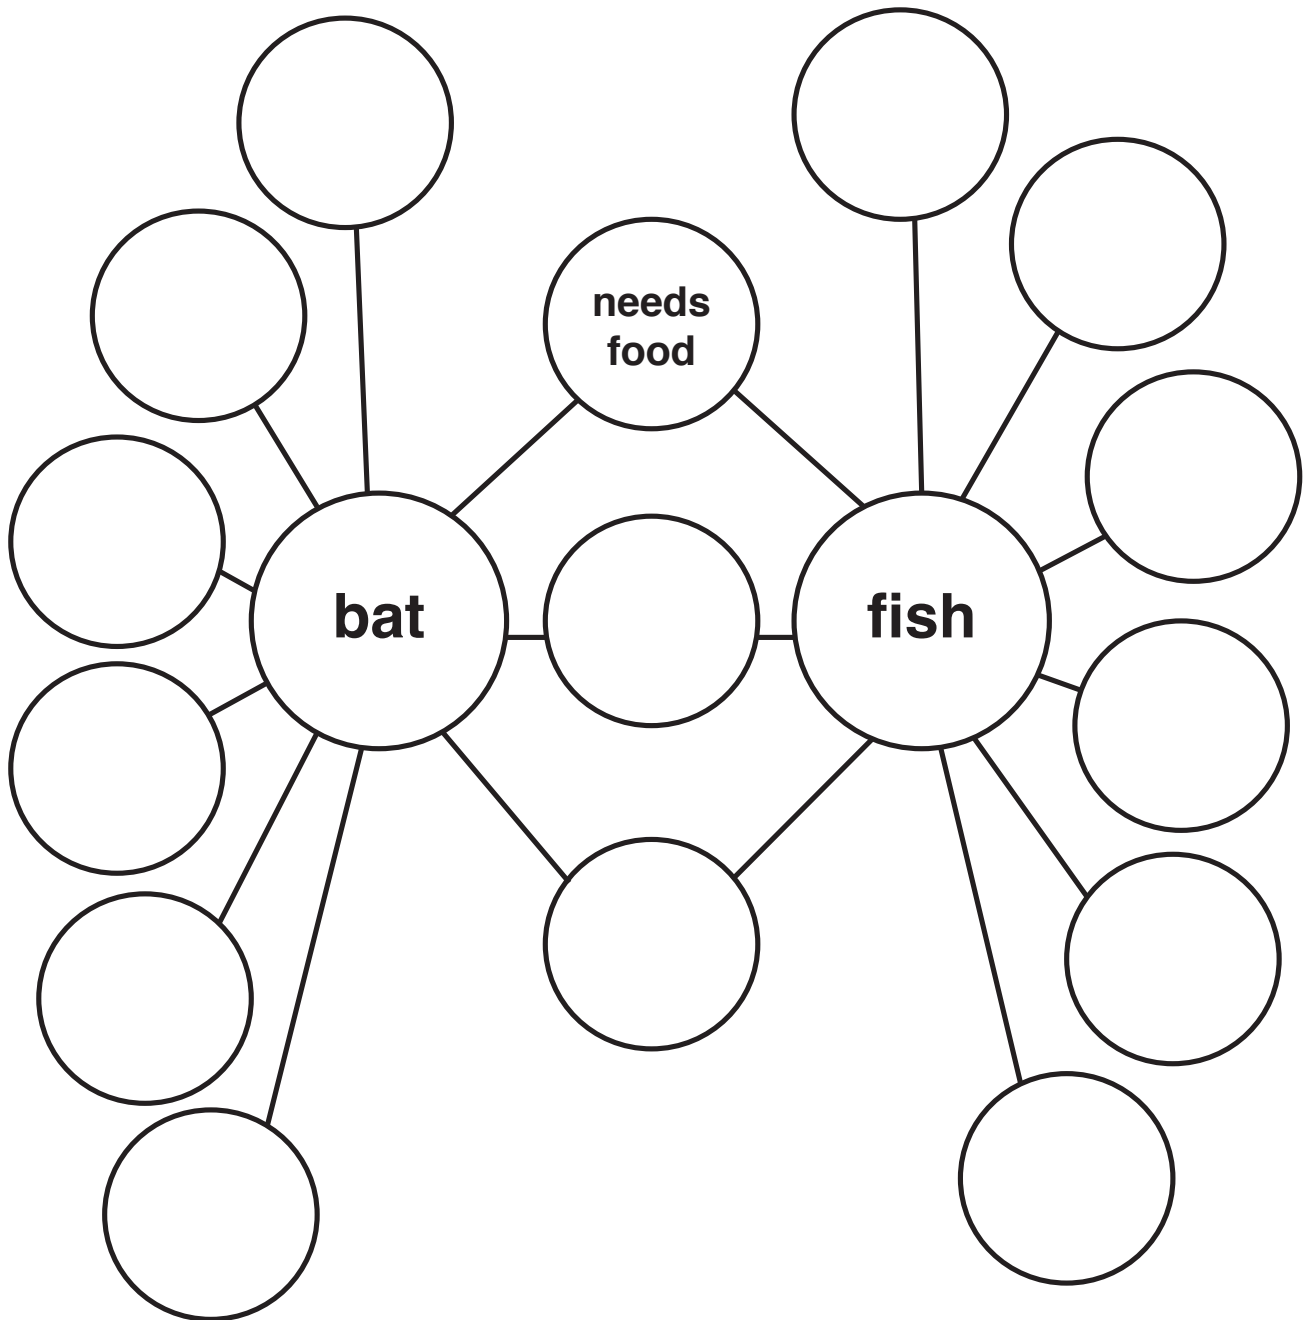

1. ax
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____
11. _____
12. _____
13. _____
14. _____
15. _____

Animals * Animales

Llene la doble burbuja para los animales. En las burbujas intermedias que se conectan, anote la información que sea igual para ambos animales. En las burbujas externas anote información que sólo corresponda a un animal. Use las siguientes palabras para llenar las burbujas. La primera se hizo como ejemplo.

needs food	fins	swims	fur	flies
gills	needs oxygen	lungs	lays eggs	scales
needs water	wings	live births	two legs	no legs

Food and Clothes * Alimentos y Ropa

Use las siguientes palabras para llenar el árbol de clasificación.

caps	wig	yams	sock
water	jacket	cuff	clams
figs	heel	eggs	bread
glasses	jam	beets	pants

Use las palabras de arriba para contestar las preguntas.

1. Which one is a red vegetable? _____
2. Which one do you find on the bottom of a shoe? _____
3. Which one do you find on a jacket or shirt? _____
4. Which one comes from hens? _____

English Translation of Spanish Directions

A dictionary is a good place to learn new words. A dictionary tells you the meaning or meanings of a word. Words in a dictionary are placed in alphabetical order. Write the words below in alphabetical order. (Write the a words first, then the b words, then the c words and so forth.) Next, draw a line from the listed word to its picture. The first one has been done for you.

Page 2

A dictionary is a good place to learn new words. A dictionary tells you the meaning or meanings of a word. Words in a dictionary are placed in alphabetical order. Write the words below in alphabetical order. If words have the same first letter, then you must go to the second letter to see which word comes first. Next, draw a line from the listed word to its picture. The first one has been done for you.

Page 3

A dictionary is a good place to learn new words. A dictionary tells you the meaning or meanings of a word. Words in a dictionary are placed in alphabetical order. Write the words below in alphabetical order. If two words have the same first and second letters, then you will need to look at the third letter to determine which one comes first. Next, draw a line from the listed word to its picture. The first one has been done for you.

Page 4

Every page in the dictionary has two guide words at the top. The guide word at the top left tells you the first word on the page and the guide word at the top right tells you the last word on the page. Remember, words in the dictionary are listed in alphabetical order. Put an X next to the words you would find on each dictionary page with the two guide words in bold print.

Page 5

A dictionary will tell you if a word has more than one meaning. The words below have more than one meaning. Find the picture that goes with each word. Each word has two pictures. Write the word under its picture.

Page 6

Fill in the blank with a noun (a person, place, creature or thing) that will make sense in the sentence. Use the nouns below. Use each noun once.

Page 7

Use the words below to fill in the missing objects in the sentences. An object is a noun that receives the action of the verb. Use each noun once.

Page 8

Match the verb with its picture.
